

# Only Fans Insider Magazine – Chapter Member Code of Conduct

Our Chapters Program is built on respect, trust, and the shared goal of supporting one another as content creators. This Code of Conduct applies to all members attending local Chapter events. By participating, you agree to uphold these guidelines to ensure our community remains safe, respectful, and empowering for everyone.

- **Creator-Only Attendance:** Chapters are exclusively for verified OnlyFans content creators. Fans, sponsors, or outside guests may not attend.
- **Respect Privacy:** What's shared in the group stays in the group. Do not share personal stories, identities, or contact information without permission.
- **One Person Speaks at a Time:** Give each member the opportunity to be heard without interruption or side conversations.
- **No Selling or Soliciting:** This is not a space for selling products, services, or subscriptions. Conversations should be supportive, not transactional.
- **Be Respectful:** Treat all members with dignity and kindness, regardless of differences in background, experience, or content style.
- **No Harassment:** Harassment, discrimination, or intimidation of any kind will not be tolerated.
- **Follow Organizer Guidance:** Chapter Organizers are here to facilitate a safe and productive environment. Please follow their instructions during events.
- **Contribute Positively:** Show up prepared to listen, share, and engage in a way that builds trust and community.

Violations of this Code of Conduct may result in removal from the event and future Chapter activities at the discretion of the Chapter Organizer. We are here to foster a space where creators can grow, collaborate, and feel safe—thank you for helping make that possible.
